## RESIDENT OF VERNON FOR 36 YEARS IS DEAD

**P. L. (Uncle Pete) Sneed Passes Away Sunday After Brief Illness—Burial Yesterday Afternoon in East View Cemetery.**

P. L. (Uncle Pete) Sneed, 72, died Sunday afternoon at 3 o'clock at his home on Texas street following a brief illness. Funeral services were conducted at his late residence yesterday afternoon by Elder J. T. Cane of Electra, assisted by Rev. L. A. Foster and Rev. J. M. Perry, pastor of the Central Christian church. Interment took place in East View cemetery.

Mr. Sneed was stricken with paralysis, as he was coming down the stairway at the Cotton Exchange building, corner Texas and Main streets, Wednesday morning. He never regained consciousness.

He was a native of Mississippi, but came to Texas when a young man. In 1889 he moved his family here from Fort Worth and has made his home in Vernon since that time. He has been engaged in cotton and livestock buying for several years and was well known all over this section of the state. Coming here in the early days he has seen Vernon's progress from the boom days of 1891 and the mushroom growth of that decade give way to the substantial progress of today. At his funeral many old timers and new friends gathered to pay their last respects to a man whom they admired for his upright dealings and love of fair play.

He is survived by his widow, three sons, Joe, Robert and W. B., all of Vernon, and four daughters, Mrs. W. H. Perkins and Mrs. Truitt Bridges of Vernon, Mrs. Howard Brindell of Quinlan and Mrs. Frank Moore of Wellington. He is also survived by two brothers, Mann Sneed of Vernon and W. A. Sneed of Little Rock, Ark., and five grand children. All were present when the end came. Many attended the funeral from other towns, including his niece, Mrs. L. C. Hundt and husband of Electra.

The active pall bearers were: F. L. Massie, W. M. Hall, Tom Summerour, Scott Hall, Paul Castleberry, Harry Colley.

Honorary pall bearers were: J. A. Puckett, J. D. Summerour, C. T. Smith, W. O. Anderson, L. G. Hawkins, C. E. Basham, Wichita Falls, T. J. Morris, J. A. Cox, J. P. King, T. J. Youngblood, R. J. Parker, Lon Byars, J. C. Smith, W. H. Huggins, L. K. Johnson, Guy Puckett, Jas. V. Townsend, A. Bailey, S. H. Hall, Harry Mason, J. H. Pennington, T. M. Ferguson, Dr. N. C. Pike, A. M. Bourland, J. D. Ferguson, L. A. Foster, Geo. Zachry, W. N. Martin, Chas. Ratliff, E. E. Collins, C. S. Bailey, D. Lyons, Benton Bowden, W. H. Reynolds, Dr. E. Barnes, Will Judd, Judge J. A. Nabers, Lon Eakle, H. H. Evans, S. W. Bailey, O. A. McCaleb, T. L. Pierce, E. P. Hicks, Ed Staley, Britt Halford, Sid Vaughn, C. F. Doan, W. T. Collins, W. P. Starr, R. T. Doolley, Alex Ross.

A number of circus people attended services at the First Methodist church Sunday night. The Al G. Barnes circus train arrived during the early hours of Sunday morning and unloaded. The pastor of the church, Rev. C. A. Bickley, and a committee visited the circus grounds Sunday afternoon and extended an invitation to attend the services. Some fifteen or twenty responded to the invitation.

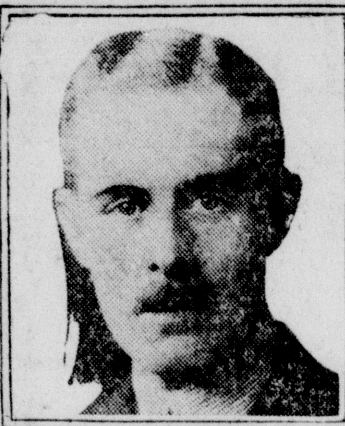

A group of local people are planning to launch the Little Theater movement here in the near future. The object of this movement is to encourage an interest in play-writing, acting and literature. It has had the effect in the last few years of reviving interest in what is termed the legitimate stage, which lost some of its former popularity with the advent of the motion picture.

Farmers are now praying for clear, dry weather in order that they may begin picking cotton. The recent rains delayed the beginning of picking which was already late nearly three weeks, due to the rains late in August and during the early part of September. Farmers generally expect that a good crop has been made if the weather conditions for the next few weeks are favorable for gathering.

Yesterday was circus day, both in Vernon and Wichita Falls. The Al G. Barnes show played here while the big combined Ringling Bros. and Barnum & Bailey five-ring circus was in the neighboring city. Many Vernon people went to Wichita Falls for the big circus, while the great majority of those who wanted to attend a circus remained at home for the Barnes show.

**To Preach at Fargo.**  
W. O. Hall, evangelist of Oklahoma Christian College at Cordell, Okla., will preach both morning and evening at the Church of Christ at Fargo, Sunday, October 4.

## In the News of the Day

LORD RODNEY

DR. HARRY BENJAMIN

DR. BLANCHE M. HAINES

M. THIERRY

Dr. Harry Benjamin, of New York, first to introduce the Steinhach rejuvenation process in America, is back from Europe, reporting Steinhach, with heat pads, used internally and externally, restores youth. Lord Rodney, British Peer, has forsaken London for a life on a Canadian ranch. Dr. Blanche Haines, of Michigan, has been named director of the Division of Maternal and Infant Hygiene of the United States Children's Bureau. M. Thierry, famous French flier, was killed in the Black Forest two hours after he started from Paris on a non-stop flight to Persia.

## MRS. T. N. BAKER START PAVING IS LAID TO REST NEAR ELECTRA

**RESIDENT OF WILBARGER COUNTY SINCE 1891 DIES FRIDAY NIGHT.**

Mrs. Mary Elizabeth Cato Baker, 81, wife of T. N. Baker, died at their home on Olive street Friday night, September 25 at 9 o'clock following a brief illness. Funeral services were held at the Church of Christ, of which she had long been a member, Saturday afternoon at 3 o'clock. Elder J. T. Cane, of Electra, minister of the Church of Christ, assisted by Rev. C. A. Bickley, pastor of the Methodist church, and Dr. E. P. Lyons, pastor of the First Baptist church had charge of the services. Interment took place in East View cemetery.

Mrs. Baker had been a resident of the county since 1891, coming here with her family from Grayson county. Her first husband died here in 1910 and she was married to T. N. Baker in 1918.

She is survived by her husband, five sons and three daughters. The sons are J. H. Cato of Fargo; R. D. Cato, of Oklahoma City; E. V. Cato, Thalia; R. M. Cato, of Vernon; C. H. Cato, of Lockett; Mrs. M. M. Leverett, Vernon; Mrs. Betty Morehead, Thalia; Mrs. T. B. Leverett, Vernon. She is also survived by a step son, Harve Baker, of Portales, N. M., who with all her children were present for the funeral, a step daughter, Mrs. Fannie Duff, Lamesa, and 44 grand children and 40 great grand children. Two daughters, Rosa Lee and Mrs. Ora Kester died several years ago.

The following grand sons acted as pall bearers: Buell Kincheloe, Guyton Cato, Jesse Leverett, Amos Leverett, Willie Leverett, Orr Cato, Buster Cato and Royce Cato.

Mrs. Baker had been enjoying good health up until ten days ago. She had been attending church services regularly and had been enjoying the walk to and from the church. She had been taking an interest in her home duties and in spite of her advanced age had been in full possession of her faculties. She was a woman beloved by her family and a wide circle of friends, and the passing of this estimable grand mother has brought sorrow to the hearts of many.

## YOUTH DIES HERE FOLLOWING OPERATION

C. R. Aiken, 23, died in Vernon, Saturday, September 26, following an operation for appendicitis. The body was shipped to Templeton, accompanied by his brother, Dr. C. H. Aiken, of San Marcos. Funeral services were held there today.

## BARKLEY AND MEADOWS GET BIG PRODUCER

**Well is Flowing Over 1000 Barrels With Heavy Gas Pressure—Landreth Reports the Completion of a Number of Wells During Week-End.**

Barkley-Meadows' No. 2-A Stephens, was completed during the week-end for the second 1000-barrel producer brought in in the Wilbarger county fields within a week. The well is actually flowing in excess of 1000 barrels daily from a sand at 2315-2350 feet, further proving up the so called 2400-foot pay for a big producing level. The well is located on the Stephens tract in section 32, block 14, the tract from which Sheerin-McCormey-Lacey brought in their big well last week. Barkley-Meadows' well is making 10,000,000 cubic feet of gas, and is reported to be showing considerable water. No. 1-B, discovery well of the 2400-foot pay, is waiting on a packer to shut off water.

E. A. Landreth company has a number of wells on the sand and others swabbing for a good production. D-2, located in section 43, block 4, has been placed on the pump and is making about 150 barrels from a sand encountered at 1864 feet. D-2 is now on the sand after drilling past a cave-in in 8 inch pipe, and 6-inch tubing has been run. They originally had the sand at 1874 feet. D-3, in the same lease, has picked up the sand at 1885 and is swabbing about 175 barrels daily. F-1, located in section 46, block 4, is swabbing 110 barrels and looks good for about 175 when it is placed on the pump. F-2, a location 300 feet west of F-1, is rigging up with rotary tools. G-1, located in section 43, block 4, is drilling at 250 feet with standard tools. H-1 in section 46, block 4, is rigging up. I-1, located in section 43, block 4, is drilling at 1450 feet. M-1 in 47, block 2, is drilling at 1390 feet. P-1 is rigging up on the G. C. & S. F. survey. N-1, is a location on section 44, block 4. A-2 is a new location 300 feet west of the producer A-1, and is to be drilled with rotary tools.

Milham corporation of Texas No. 1-A in section 48, block 4, is still drilling in lime showing oil, and will drill on down until formation changes.

Electra-Texas No. 2 pumped thirty barrels of oil from a sand encountered at 2252 feet in section 22, block 4, and is drilling deeper.

Roxana is drilling at 2050 feet in section 50, block 14.

Humble Oil and Refining company is fishing for tools at 1925 feet in section 46, block 4. F-1 in section 52, block 4, has been abandoned as a dry hole at 2811 feet.

Tidal No. 1, section 37, block 4, is drilling water sand at 2295 feet. No. 2, section 35, block 4, is drilling at 650 feet.

Burton-Ruff No. 2, located in section 48, block 14, is drilling at 700 feet.

Hoffer's well located in section 12, block 11, is having trouble with the pipe. The bottom of the hole is at 2450 feet.

McLester, located in section 20, block 14, is pulling pipe to abandon. Wells is shut down at 2000 feet in section 21, block 14.

Dyson, located in section 47, block 4, is drilling below a last reported depth of 2240 feet.

Humble Oil and Refining Company has a good looking sand in G-2, located in section 46, block 4. Pay was picked up at 1871 and was drilled to 1873 feet. I-1 in section 46, block 4, is repairing the rig at 1110 feet.

Durham abandoned No. 2, located in section 20, block 2, with the bottom of the hole below 2400 feet. Gulf is drilling below a last reported depth of 1870 feet in R-3, section 50, block 14. Q-1 in the same section is drilling below 1985 feet. U-2 in section 65, block 14, is drilling at 2280 feet.

## COUNTY JUDGE NOT TO ATTEND STATE MEETING

County Judge J. V. Townsend announced yesterday morning that he would not attend the state convention of County Judges which convened in Amarillo yesterday for a two-day session. He wired to Amarillo requesting that he be enrolled as a member. Announcements from the convention city state that pre-convention discussions among delegates indicate that the repeal or amendment of highway construction and maintenance laws will be brought up for discussion during the convention.

## In the News of the Day

A. A. STAGG

CROWN PRINCE OLAF

LADY DIANA SOMERSET

COMM. KLEIN

A. A. Stagg, thirty-four years a football coach, is again on the job at the University of Chicago, showing the gridiron candidates how to play the game. Prince Olaf of Sweden. Lady Diana Somerset, daughter of the Duke and Duchess of Beaufort, known as a fearless horsewoman, is the secret bride of Capt. H. L. Sheddin. Commander Jacob Klein, Jr., is an important witness at the inquiry into the Shenandoah disaster.

## COUNTY COURT FARM EXHIBIT STARTS MONDAY TO T-O FAIR

**JURORS ANNOUNCED FOR SECOND AND THIRD WEEKS—DOCKET HEAVY.**

County court convenes in regular session next Monday, according to County Judge J. V. Townsend. An unusually heavy docket faces the court this session.

The first week only misdemeanor cases will be heard, and no jury will be called. Jurors have been summoned for the second week and will be expected to report by eleven o'clock on Monday morning of the second week. The jury summoned for this term of court follows:

Second week—J. D. Allison, W. E. Denson, D. H. Henry, W. O. Haney, Roy Hancock, C. M. Ladd, W. A. Lane, C. A. Muller, P. W. Nell, L. E. Packer, O. O. Patton, C. C. Puckett, C. T. Pettit, W. W. Riddle, Gus Rape, Carl Stokes, Luther Streit, A. H. Frost, J. T. Tipton, W. W. Welch. Third week—Roy Alger, W. A. Blanton, T. C. Byrd, M. P. Barnfield, R. M. Cato, J. A. Corner, Earl Coleman, J. A. Olson, C. S. Davis, E. B. Elliott, A. B. Hays, Sam Kelly, W. W. Cagle, F. E. Murchison, J. J. Nance, O. H. Naylor, T. R. Olive, E. L. Spruill, A. A. Tombs, H. B. Turner.

After covering practically every community in the county while looking for exhibits, the local men say that the recent heavy rains did very little damage to the crops of the county, other than delay the opening of cotton for a few days. With the continued clear weather that is prevailing over the county at present, this week is expected to see cotton picking get into full swing. There is a great demand for pickers already.

## Former Vernon Resident Dies in Long Beach, Cal.

A message was received Friday from Long Beach, Calif., announcing the death of Mrs. S. P. McKinney, former Vernon woman, which occurred Thursday night. Burial took place there.

Mr. and Mrs. McKinney left Vernon in 1919, after residing here several years. They were both connected with the old Red Store, afterwards going to Perkins-Timberlake and Mr. McKinney was in that firm's employ when they left for California. Mr. and Mrs. McKinney had many warm friends in Vernon who regret to learn of her death. Though far away, they were always interested in news of this city and kept open house at their home in Long Beach for Texas acquaintances.

Mrs. McKinney is survived by her husband and an only son, Frank, who is instructor at the Culver Military school in Indiana.

**Old Soldiers To Meet.**  
Members of Camp Cabell, U. C. V., are notified of a regular meeting to be held at the Commissioners' room, Saturday afternoon at 3 o'clock.

## MASONS START PLANS ON NEW BUILDING HERE

**Committee Retains Architect to Draft Preliminary Sketches and Prepare Estimates on Cost of Three-Story Fire-Proof Temple.**

Plans are being made for a proposed new Masonic Temple for Vernon, to be 60 by 110 feet, three stories and basement, by Guy A. Carlander, Amarillo architect, who was retained by the building committee of the local Masonic lodge, appointed some time ago.

C. S. McColloch is chairman of the committee. E. L. Witty, W. F. Magee and R. H. Nichols are the remaining members of the committee. A finance committee has also been named to work out a financing plan for the proposed building. This committee is composed of J. A. Birdsong and F. L. Massie.

A number of local Masons are anxious to get the task of erecting a new temple started at the earliest possible moment. It is generally believed that the present is a propitious time to launch the enterprise. Several months ago the plan was discussed and was given general approval by members of the order here. A tentative subscription list was opened and about \$13,000 was subscribed to the building fund by local Masons.

While the details of the financing plans have not been worked out and will not be until the building plans are finally approved, it is pretty generally agreed that local Masons will be asked to raise a good share of the cost of the building by subscribing for second mortgage bonds, the remainder to be financed through a loan on the property itself.

The building committee has asked for preliminary sketches and an estimate on the cost of a three-story and basement, fire-proof building to cover both of the lots owned by the lodge at the corner of Main and Olive streets, or to cover a similar tract at some other site if it is decided to change locations. The lodge owns the property occupied by the present temple and the vacant lot adjoining and sentiment seems to favor the erection of the new building on this site.

It is believed that there will be no difficulty encountered in financing the new building. A preliminary plan calls for the raising of perhaps \$30,000 through the sale of second mortgage bonds to local Masons and the floating of a loan of \$40,000 to \$50,000 to complete the financing of a modern structure.

The present plans call for the most modern type of a building that can be utilized for a combination of commercial and lodge purposes. The ground floor would be used exclusively for store rooms, while space along the west and south exposures of the second floor would be divided into offices, with a small auxiliary lodge rooms, which could be used for ordinary meetings of the various bodies using the building when the large lodge room on the third floor was in use. The entire third floor will be given over to lodge purposes under the plan.

The preliminary drawings and cost estimate is due to be received this week and as soon as plans are approved it is announced that immediate steps will be taken to finance the building and begin work on it.

## J. Frank Norris To Discuss Theory of Evolution Here

Dr. J. Frank Norris, pastor of the First Baptist Church of Fort Worth, has announced that he will speak at the High School auditorium here next Monday evening at 8 o'clock. Vernon citizens who have been instrumental in bringing Dr. Norris to this city state that he is expected to speak in defense of the Bible against the evolution theory, and that a large crowd is expected to attend.

As a minister, Dr. Norris has probably attracted more attention than anyone in this section of the nation. He is credited with having the largest Sunday school in the world, and his church is reported to be one of the strongest in the state. While in Vernon, Dr. Norris will be the guest of Mr. and Mrs. W. M. McCaleb.

## Wilbarger County Club Girls' Work Sent To Wichita

Work of the club girls of Wilbarger county has been sent to the Texas-Oklahoma Fair which opens at Wichita Falls next Monday, and will be placed on exhibit there, according to Miss Emma Gunter, local home demonstration agent. The work is the best of that which was on exhibit here during the Wilbarger County Fair.

Miss Gunter states that the work of the girls this year is above the ordinary, and she expressed the belief that the Wilbarger exhibits will take some prizes at the Texas-Oklahoma Fair. This is the first year Miss Gunter has sent any samples of the Club Girls' work to the Wichita Falls fair.

## "Crowded Hour" and "Bandit's Baby" at The Vernon

Bebe Daniels come to the screen at the Vernon Theater on Wednesday and Thursday next in her latest starring picture for Paramount, "The Crowded Hour," a picture version of the Selwyn-Polka stage hit, written for the screen by John Rus-

sell and directed by E. Mason Hopper, who made "Jannice Meredith." Miss Daniels has the role of Peggy Laurence, a telephone operator who aspires to a career as an actress. T. Roy Barnes, her pal, also has a yen to act, and they try out their talents on New York's Bowery crowd.

Kenneth Harlan, a rich young fellow from upper Park Ave., falls for the pretty Peggy. Harlan gets Bebe a job in the "Follies," with Barnes as a foil. Then the war comes, and Bebe and Barnes go to France as "Y" entertainers. Bebe's real purpose, how-

ever, is to be near Harlan, who has enlisted. She entertains the soldiers in the front line trenches, goes through a gas attack and makes a wild ride on a motorcycle in an effort to save Harlan, who has gone to destroy an ammunition dump before the enemy reach it.

The roars of laughter that follow in the wake of such a production as "Charley's Aunt" re-echo as loudly through "The Bandit's Baby" which comes to the Vernon Theater on Friday, and Saturday. Situations that are positively new, comedy of a high order, burlesque, and satire are all blended beautifully with the fast action of a rattling western tale, with Fred Thompson's remarkable personality, and with the histrionic ability of the athletic star and his equally famous horse, Silver King. Silver, as a matter of fact, has a lot to do with caring for the baby that is suddenly wished on his master, "The Bandit."

### TEXAS.

(By The Record Staff Poet)  
How oft in thoughts we turn to thee,

When silver-footed shadows  
Let down the sunset's golden bars  
And steal across the meadows,  
Where fringed palms lift up their heads  
Like ferns to giants springing,  
And mocking birds through all the night  
Unto the moon are singing.

Above the mountains, looming far,  
The colors grow uncertain.  
The night wind whispers to the stars  
Through twilight's purple curtain.  
The violets look with shy blue eyes  
Through lashes curling, tender,  
And roses bloom the whole year round  
In more than regal splendor.

And floating o'er the garden beds  
Where dews are softly falling  
On flowers in prayer, with bended heads,  
We hear our Mother calling.  
Oh, Mother State! Though far we roam,  
Yet when the shadows gather  
At eventide, you call us home,  
And draw us near together.

### Card of Thanks.

We are indeed grateful to our friends and neighbors who in any way contributed toward the care and comfort of our beloved wife and mother during her last illness. To you who sent the beautiful flowers, God's harbingers of eternal hope and spoke the comforting words to us at her death, we say God bless you. May friends like ours comfort you in your bereavement, when the dark hours come as they do to one and all. Gratefully yours,  
T. N. BAKER,  
J. H. CATO,  
R. D. CATO,  
E. V. CATO,  
R. M. CATO,  
C. H. CATO,  
MRS. M. M. LEVERETT,

MRS. T. B. LEVERETT,  
HARVE BAKER.

### Parent-Teachers To Meet.

The Parent-Teachers Association of the Central School will meet Thursday afternoon at 3:30 o'clock. This is the first meeting of the scholastic year. All members and patrons of the school are urged to attend. Success depends upon attendance and cooperation.

## Smouldering Fire and Mack Sennett Comedy Coming

Laura La Plante, Universal star, uttered a little cry of consternation when she was informed of the nature of the part she plays in "Smouldering Fires," Universal-Jewel-Clarence Brown production co-starring Pauline Frederick and Miss La Plante and to be shown at the Pictorium Wednesday and Thursday.

The reason for the consternation is that "Smouldering Fires" is the second picture in which Miss La Plante has played the part of a girl who has fallen in love with, and won the man whom her elder sister wanted. In the first instance, "Butterfly," also directed by Clarence Brown, Miss La Plante wins the man before he is married to her sister, but in "Smouldering Fires" she has a far harder struggle.

"I'm wondering," wailed Miss La Plante, "if this coincidence has anything in the way of prognostication as to my real truly life concealed about it."

"Smouldering Fires" is announced as one of the big productions of Universal for the 1924-5 season.

Taylor's Emporium had five stories—it might have had six, but that's another story. All of which has a lot to do with Mack Sennett's latest Pathe-comedy, "He Who Gets Smacked," which will be shown Wednesday and Thursday at the Pictorium. For it is in this emporium of emporiums that Ralph Graves is to be seen trying to make the world safe for floorwalkers, much to the amusement of all concerned. Ralph also loves old man Taylor's daughter, one of the daintiest Mack Sennett bathing girls that ever stepped out of a one-piece suit into a leading part. Further complications arise when Ralph, a lover of prize-fighting from the spectator's standpoint only—is forced into the ring to swap punches with "Battling Bozo," one of the toughest pugs that ever rolled up a string of knockout victories. Needless to say, Ralph does a lot more running away than he does scrapping and it takes a Heaven-sent twist of ironic Fate to put this bone-crushing terror of the waterfront to sleep.

Hobnobbing with royalty became a favorite pastime with Anita Stewart while she was in the South Sea making the spectacular tropical scenes for "Never the Twain Shall Meet," the picturization of Peter B. Kyne's popular story of the same is having its last showing tonight at the Pictorium.

### Chin Upper or Chin Downer, Which?

If a Chin Downer, you sell muscle, brown, work for wages, perhaps \$2 a day. If Brains, Training, Skill, you're a Chin Upper and earn \$2 an hour! You can be either. Our Studio Training for Office Work will help you market Skill, Training, Brains. Get away from the ranks of the poorly paid into the ranks of the successful. Spare time only required. Investigate.

HIGGINBOTHAM SHORTHAND STUDIO  
Room 206 Davis Bldg.

### VALUABLE RECIPES SUITABLE FOR FALL

Miss Emma Gunter, home demonstration agent is furnishing a series of recipes, which are adapted to the fall season.

The following is her recipe for corn pickles.  
Gallon cut corn  
2 gallon chopped cabbage  
6 onions (chopped)  
6 green peppers  
1 bunch celery  
2 pounds of brown sugar  
1-2 cup of salt  
2 cups prepared mustard  
1 quart water  
1 pint vinegar

Mix all together and cook for 1 hour and seal for winter use.

### To Pack Box for Orphans.

Women of the Methodist church will pack a box of old clothing Monday, October 5 at the church. Those having clothing to donate are asked to bring the articles to the church. The box is being prepared for the Wesley Home at Dallas and the women are asking for clothing of any kind suitable for women and children and men's clothing that may be made over for boys. For further information call 630.

### Manager Wichita Store Here.

Frank Timberlake, manager of the Perkins-Timberlake store at Wichita Falls and one of the firm, was here on business Monday, connected with the local store.

### Bible Class To Meet.

Susanna-Wesley Bible class will meet with Mrs. C. W. Andrews, 2327 Cumberland street Friday afternoon at 3 o'clock.

### GIRLS! HAVE PRETTY EYES

No girl is pretty if her eyes are red, strained or have dark rings. Simple camphor, witchhazel, etc., as mixed in Lavoptik eye wash, keeps eyes healthy, sparkling and vivacious. Dainty eye cup free.  
T. M. FERGUSON DRUG CO.

### Fargo Club To Meet.

The Fargo Ladies Club will meet with Mrs. Jess Mason on Friday afternoon, October 2, at 2 o'clock, according to Miss Emma Gunter. An instructive demonstration will be given at that time, Miss Gunter announces.

Mrs. C. W. Whitehead, who has been quite ill for the past week, is improving slowly.

## IONS SMASH COLLEGE TEAM FOR VICTORY

Local Gridders Run Rough-Shod Over Eleven of Wichita Falls Junior College—Vernon Line Performs Like Veteran.

Playing straight football, the Vernon Lions smashed their way to a 29-0 victory over the moleskin warriors of Wichita Falls Junior college here Friday afternoon. In coping the victory, the local gridsters displayed an almost invisible line, and a backfield that was able to gain at all stages of the game. The Collegians were forced to remain on the defensive throughout the game except

a few minutes in the fourth quarter when they came near scoring on Baggett's second string.

The Indians never threatened but one time, and that was late in the fourth quarter, after Baggett had sent in a number of substitutes. A trio of passes after Wichita Falls had received a punt on Vernon's forty-yard line advanced the ball to Vernon's thirty-yard line. Coach Baggett sent in his first string, and Williams covered the ball when Datson of Wichita fumbled. The Collegians lost their only chance to score.

Marching down the field from the very outset, the Lions lost the ball only one time before scoring in the first quarter. A series of off-tackle plays carried the ball within striking of the goal, and big Crouch took the oval and circled left end for sixteen yards and a touchdown.

Four other touchdowns were made before the first string was pulled at the end of the first half. Williams, Gelhausen, Ryan and Robinson carrying the ball over.

Captain Robinson made the sensational play of the day when he intercepted one of Wichita's passes

on his forty-five yard line and ran down the side line fifty-five yards for a touchdown.

While every man in the line played a good game, Norwood and Burrows stood out. It was little trouble for Vernon to gain on tackle plays. Norwood was especially good on the defense, and his work in going down on punts was excellent.

The Lions were rather weak on the ends against Timmons and Crites, Wichita College men. Withers looked pretty good in his tryouts on end, and rushing the college passes a number of times.

Although Wichita Junior College had no outstanding man, Thurman, quarterback and passer, appeared to be the college's most valuable man. He was able to toss the passes long and accurate in spite of the fact that Vernon players rushed him.

Wichita Falls attempted the aerial route fifteen times, completing seven passes for a total of 93 yards. Two were intercepted. Vernon attempted one pass and completed it for three yards. Vernon gained 393 yards from the line of scrimmage, while the Indians gained 108, including the 93 gained

from passes. The Lions gained 248 of their total yardage during the first half as compared with thirty-two yards gained by the collegians in the same period.

### Play by Play Report

Wichita kicked to Ryan, who caught the ball on his own fifteen yard line and returned it to the thirty-seven yard line. Williams hit the center of the line for four yards, and Crouch backed the same position for the same yardage. Gelhausen hit right tackle for seven yards and first down. Ryan made two yards around left end. Williams fumbled and Stevenson covered for Wichita Falls on Wichita Falls' forty-seven yard line. Two line backs lost the college four yards and Thurman tossed a pass to Crites for a ten yard gain. Wichita was penalized five yards for offside. Crites was called back and kicked fifty-five yards out of bounds. The ball was brought out to the twenty yard line, and Crouch made four yards around right end. Ryan passed to Williams, gaining three yards. Gelhausen hit the line for three yards and first down. Crouch made nine yards over left tackle. Ryan followed with eleven yards over right tackle. Gelhausen gained five yards through center. Hersh went in for Chunn. Williams made five yards over right tackle. Crouch hit center for three yards. Gelhausen made six off the line. Williams added three more over right tackle. Crouch hit right tackle for ten yards, and Mosley sent in Whitelaw for Saunders in an effort to stop the gains through the left side of his line. Williams hit right tackle for five yards. Gelhausen made one around right end, and Ryan made downs with a three-yard drive through center. Crouch circled left end for sixteen yards and a touchdown. Ryan failed to kick goal. Crouch received from Wichita Falls on his own eighteen yard line and returned sixteen yards. Williams made four yards off right end, carrying the ball out of bounds. Gelhausen went around the same end for seventeen yards. Williams gained four with a similar play. Crouch circled left end for fourteen yards. Ryan made five off right end, and followed it with twelve yards on a similar play. Gelhausen made two on a buck, and added four more over right tackle. The quarter ended with Vernon one and a half feet from Wichita's forty-eight yard line. From Wichita's goal line. Score: Vernon 6, Wichita College 0.

Gelhausen opened the second quarter by going over for a touchdown on a line buck. Ryan kicked goal. Ryan kicked to the college's five yard line, and the ball was returned to the twenty-two yard line. Withers went in for Ted Key. Wichita lost a yard on a buck, and made four on another. Wichita kicked fifty yards to Ryan who returned thirteen to Wichita's forty-eight yard line. Williams failed to gain over right tackle. Crouch made seven over left tackle. Williams backed center for three yards. Ryan went through the same position for six yards. Williams made five on a line buck. Crouch lost two in a try at left tackle. Ryan circled right end for six yards. Crouch went the other way for eleven. Gelhausen hit right tackle for four yards. Williams ploughed through the line for eight yards on two successive backs, carrying the ball over for a touchdown. Ryan kicked goal. Ryan kicked to Wichita's one yard line and the ball was returned eight yards. A line buck netted one yard. Luttrell went in for Gelhausen, and Ryan was shifted to full. Datson went in for Harris. Wichita Falls kicked forty yards after a pass failed. Williams hit the line for four yards, and Crouch made the same off a duplicate play. Williams made five around right end, and Ryan circled the other wing for four. Williams made two on a duplicate play, following it with a similar run for three yards. Crouch made two over left tackle.

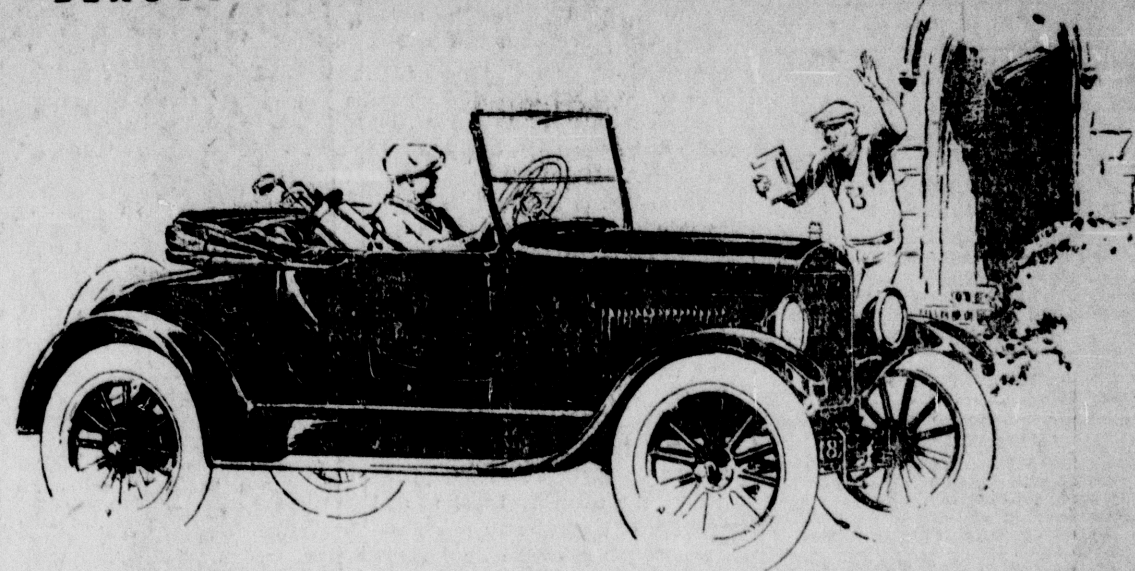

Luttrell made three over left tackle. Ryan circled right end for eleven yards and a touchdown. He kicked goal. Vernon kicked to Wichita's thirty-eight yard line with no return. One pass failed and a second netted seventeen yards. Robinson grabbed a third and raced fifty-five yards over the goal line. Ryan failed to kick goal. Castleberry went in for Withers. Vernon kicked to Wichita's thirty yard line with an eighteen yard return. Timmons dropped a pass, as the half ended. Score: Vernon 33, Wichita College 0.

Williams made two yards through the line, and Ryan made nine over right tackle. Williams gained one yard on a buck, following it with another for three yards. Ryan kicked forty yards, and Norwood covered after Wichita Falls fumbled. Ryan made two through the line and Clois Key followed with four. Luttrell lost one yard, and Ryan made five at line backs. Williams hit left tackle for five, and slashed off three over right tackle. Clois Key made one on a line buck. Williams followed with four yards and a touchdown. Ryan failed to carry the ball over around right end. Gelhausen kicked forty yards with a seventeen yard return. Two passes netted nineteen yards, and a line buck four. Wichita made four around left end. The quarter ended with the ball in Wichita's possession on Vernon's thirty-five yard line. Score: 39-0.

Wichita failed to gain on a fake when Norwood broke through and tackled. A pass netted seventeen yards, and a buck one. Gelhausen intercepted a pass and was downed on his own ten yard line. Luttrell circled right end for five yards. Wichita Falls received a punt on Vernon's forty yard line with four yard return. One pass was downed, and a second netted eight yards. A buck made three, and a pass made twenty-two. It was first down with Wichita Falls on Vernon's three-yard line. Datson fumbled and Williams covered the ball. Luttrell hit the line for five yards, and Crouch made four over left tackle. Gelhausen made two yards over the same position as the game ended.

BEAUTY • COMFORT • CONVENIENCE • UTILITY

## Good Looks as Well as Good Service

The improved Ford Runabout, with its all-steel stream-line body, is an unusually good-looking car.

It hangs low to the ground, and the body has been lengthened and re-designed for greater comfort and convenience.

The gas tank under the cowl is filled from the outside, and the weather-proof storm curtains open with both doors.

Under the sweeping rear deck is an unusually large compartment designed for convenience in carrying luggage.

Standard equipment includes four cord tires, nickeled head-lamp rims and windshield wiper.

The price remains the same \$260, and you can buy on the Ford Weekly Purchase Plan.

## WHEN IS ADVERTISING?

Vernon business men could save themselves a good many thousand dollars every year if they would insist on having all so-called advertising schemes and donation lists approved by a committee of the Chamber of Commerce or the Retail Merchants Association before lending it their support. It seems sometimes that the less merit a proposition has, the easier it is to get the support of many business men.

Clocks for hotel lobbies, thermometers for the street corner, desk blotters with half a hundred ads on them, roadside sign boards that are supposed to be a business directory of the city, mileage leaflets that are supposed to be presented to travelers are merely a few of the schemes that business men fall for in Vernon almost every week.

Nine times out of ten these schemes have no merit as an advertising medium, but their promoters can sell them readily at prices no legitimate advertising medium would dare charge.

The average retail business man will find the newspaper about his most economical advertising medium. Then there are legitimate billboards, where a merchant buys an individual showing for a stated period of time, backed up by a responsible local man who can and will see that the merchant gets what he pays for. The City directory and telephone directory come within the realm of legitimate advertising and are so recognized.

The secretary of an organization of Denton business men recently made the statement that the vigilance committee had saved the merchants of that city no less than \$10,000 on seven specific advertising schemes that were refused approval during the last year. That much money is worth saving. It is worth a lot to the men who saved it. It would accomplish wonders if added to the usual Chamber of Commerce budget or expended in some of the many legitimate ways of advertising.

Perhaps the local newspaper should be the last to complain, because the average fake advertising scheme means a good job of printing at a liberal price. The fake advertising promoter doesn't quibble about printing prices as a rule. He gets plenty and then some from his patrons. A local business man suggested the other day that we ought to quit visualizing the easy mark as a greener from the back woods. He said the easiest of the easy marks are the smartly dressed, sophisticated fellows who sit behind desks and call themselves business men.

## THOSE CROP ESTIMATES AGAIN.

Recently the Government issued its cotton crop estimate which was rather higher than had been anticipated by traders and the price dropped. There immediately arose a hue and cry against the issuance of crops estimates by the Government, with the politicians leading the anvil chorus.

Maybe the estimate was too high. The Record doesn't know. Neither does Senator Mayfield nor any other self-constituted critic. A short time before the latest estimate, the Government forecast was bullish, indicating a short crop and the price went up. Everybody was happy, that is, everybody who profited directly or indirectly from an advance in the price of cotton. Even the politicians were in a happy frame of mind and so far as The Record is able to recall no one criticized the Government for meddling.

No doubt the Government methods of gathering and giving out crop estimates could be improved upon. The fact remains, however, that crop information carefully gathered and fairly estimated is valuable. To discontinue the dissemination of crop estimates by the Government

would place the producers completely in control of speculators. Traders have ways of estimating yields themselves and they are just like the rest of us, if they do any guessing it will be of a sort that will protect their interests.

But perhaps we shouldn't expect too much from mere politicians. It seems to be popular to jump on Wall Street. It doesn't bother Wall Street and Senator Mayfield's constituents seem to like it.

## THE WAY OF HERETICS.

In ancient times our forefathers had a playful little habit of burning heretics at the stake, or beheading them. That is not considered the polite thing to do in this Christian era, but we often do something as cruel to the alleged heretic and which reflects about as much intelligence as the fathers of old manifested when they marched some smart aleck to the guillotine to behead him for the crime of thinking and of refusing to do things as they had been done before him.

The progress of the world has been made possible by the heretics—men who dared to question things and who had the courage to express the opinion that there might be a better way.

Colonel Mitchell, the flying soldier, who has been kicking up a row for the past two years over the conditions surrounding the air service, is a heretic. Of course, being a heretic doesn't make him right, but he has dared to point out some things which he has called defects in our air defense.

Colonel Mitchell might have remained a general if he had been regular and kept his mouth shut. But he talked out of school and was reduced in rank. Now he is being

## In Fine Form

Vic Aldridge, obtained from Chicago in the famous trade, was slow in rounding into form, but at the middle of the season found himself and is now one of the mainstays of the Pirate staff. He will twirl at least one game in the world's series.

ed before a court of inquiry to answer charges of insubordination. All he is contending for is a unified department of national defense, with the flying branch of the service in charge of air men.

Of course, the bureaucrats are saying the thing isn't possible, and about the only reason they have ad-

vanced to support their statement is that it has never been done—in the United States. Other countries have quite successfully unified their whole defense program, the army, navy and air branches, under one head. In this country we have a War Department and a Navy Department and each has its aviation branch.

There may be insurmountable obstacles in the way of a unified national defense for the United States, but the swivel chair brigade in Washington has not presented them. Colonel Mitchell has given what appears to be some very good reasons for co-ordinating the whole under one command.

In the eyes of the people Colonel Mitchell has the better of the argument to date. But he has committed the crime of heresy and the bureaucrats will take him to the guillotine if public opinion doesn't check them.

Miss Grace Massie left Saturday for her home in Roswell, N. M., after a brief visit here with her brother, F. L. Massie and family. She was returning from Austin, where she placed her niece, Miss Mary Catherine Massie, in the State University.

DANDRUFF  
CAUSES THE HAIR TO FALL OUT—  
AND THE HEAD TO BECOME BALD

Dandruff is a germ disease and known as a scalp form of Tetter or Eczema. This microbe lives on the oily substance of the skin and robs the hair of its proper nourishment, causing it to fall out and the head to become bald. Get rid of dandruff before it is too late. Wash the scalp well with hot water and soap, dry with a soft towel and apply Hooper's Tetter-Rem (Don't Scratch), rubbing it in well. Then steam the head with hot towels. Ask your barber for Hooper's Tetter-Rem scalp treatments. Hooper's Tetter-Rem is positively guaranteed for all scalp and skin diseases. Two sizes, 75c and \$1.50. Sold and guaranteed by

## Salvation Army Official Confers With Local Men

W. E. Hutchins of Dallas is here conferring with the local Advisory Board of the Salvation Army with a view to starting the annual campaign for funds. Dates will be announced later.

Mr. Hutchins has the following to say about the wonderful work of the Salvation Army:

"The people of this state are again cheerfully responding to the annual appeal of the Salvation Army for funds to carry on its program in this state," said the appeal representative who is here to co-operate with the local Advisory Board, "and for the benefit of the public upon whom the Salvation Army depends for finances for the conduct of this very necessary and helpful effort for the relief of humanity, we are willing and anxious to answer any and all questions that may exist in the mind of any man or woman."

"Every phase of the Salvation Army work is understandable. It is endorsed by men and women in all walks of life, because it administers to the poor, the needy, the unfortunate and helpless, without regard to race, creed or social station. It is non-sectarian and universal in its scope of service. The Salvation Army administers spiritual as well as material relief. In this manner permanent good is done."

"Among the multitudes who unhesitatingly endorse the work of the Salvation Army and the methods it employs are the President and former presidents of the United States of America, high government officials now and formerly in office, the present and former governors of Texas and Louisiana and many others states, Catholic, Protestant and Jewish clergymen, the secular and religious newspapers and magazines, without respect to creed, the daily press, commercial and civic organizations throughout the nation, and hundreds of thousands of bankers, business and professional men and women, artisans, laboring folks, farmers and others whose contributions to this work are their endorsement."

"Surely the Salvation Army is wonderfully blessed with friends. This is so because the Salvationists are not in the work for financial gain or hope of earthly reward. Self-sacrificing service is their only motive. Salvation Army affairs are administered so efficiently and economically as to command the respect and confidence of the business world and we are proud to have the moral support and cooperation of governments, states, cities and counties where ever the Salvation Army operates."

### FOR WORKING PEOPLE

The best of workers get out of sorts when the liver fails to act. They feel languid, half-sick, "blue" and discouraged and think they are getting lazy. Neglect of these symptoms might result in a sick spell, therefore the sensible course is to take a dose or two of Herbine. It is just the medicine needed to purify the system and restore the vim and ambition of health. Price 60c. Sold by all Drug Stores.

## Lion Roars

Withers looked good in his try-out at a wing position last Friday. He was going down fast. He tackled Thurman just before the Wichita quarter tossed the pass which Robinson caught and carried for a touchdown. It appears that Withers' ideal position is end.

After watching the Lions in action Friday, a Wichita Falls sports writer stated that they appeared to be much stronger than the Coyotes. He predicted that Vernon would win over the Coyote eleven by a wide margin. One of the Wichita Indians said the same thing.

After the game, this Indian admitted that he and his teammates were astounded, saying that they really came down here with the expectation of winning the game.

Regardless of what the dope may indicate, Bud McCallum's organization will bear watching. He is not a coach that will allow his team to remain inexperienced, and it is well known that his pack is never whipped until the last whistle blows. They never give up before the game starts, no matter what the odds may be. The Lions will do well to prepare for a whale of a battle when they meet the Coyotes on October 30.

The manner in which that Vernon line performed in the game last Friday was a sight to cheer the hearts of local fans who have feared that the line would fail to deliver this year. In the game Friday, Vernon's forward wall was practically invincible against the attack of the heavy collegians.

Speaking of weight, it was in evidence Friday afternoon when the Indian eleven trotted out on the field. At that time, things didn't look so good for Vernon's line, but that forward wall must have been under the scrutiny of the coaches all week. It just wasn't the same line that performed against Memphis the week-end before. It held and, when the time came, it smashed.

Two men, Norwood and Burrows, running mates in the tackle positions, stood out in the line. Norwood played a great defensive game and Burrows a great offensive. Norwood smothered the collegians plays on more than one occasion. It was never much trouble for the Vernon backs to gain through either tackle position.

Crouch, husky back, flashed at times in Friday's game. Although running fewer times than some of the backs, he has the distinction of

gaining the greatest total yardage. He gained 81 yards on plays from the line of scrimmage, carrying the oval thirteen times, averaging slightly over six yards, and failing to gain only one time.

One play of Crouch's caught the eyes of the fans in particular. He circled left end for eleven yards, and, as a man hit low to tackle, Crouch dove over him head foremost, struck on the back of his shoulders, rolled over and started again.

The Lions appeared to be woefully weak in solving the forward pass

attack of the visitors last Friday. The collegians completed half of their passes, gaining ninety-three yards via the aerial route. Reports sifting in from Wichita Falls High indicate that the Lions may expect a great forward pass offensive when they play the Coyotes.

## WICHITA MAN MAY RUN FOR CONGRESS, IS RUMORED

An Amarillo paper is authority for the statement that B. D. Sartin, County Judge of Wichita county, is a probable candidate for Congress next year from the thirteenth dis-

trict. Gunn Williams of Decatur, Grand Master of Texas Masons, is present Congressman from this district and has announced that he will be a candidate to succeed himself in next year's primary.

Judge Sartin is in Amarillo at the present time attending the annual convention of the County Judges and Commissioners Association. The

Amarillo Globe carried a two-column picture of the Wichita man Sunday morning along with the statement that he is a probable opponent of Gunn Williams for Congress.

Mr. and Mrs. J. S. Blanton was in Wichita Falls Monday on business and attending the Ringling Bros. Circus.

The **ORANGE** gas  
at the sign of the ORANGE DISC

**Stops carbon knocks**

It gives us great pleasure to announce NO-NOX our new Motor Fuel. NO-NOX is the product of many months of exhaustive scientific and chemical research by a staff of our own skilled chemists, infinite care being given to all details to insure the absolute perfection of NO-NOX Motor Fuel. Strenuous nights and days were spent in our thoroughly equipped laboratories by these scientists before NO-NOX Motor Fuel was perfected. Hard grilling road tests followed to develop any weakness overlooked in the laboratory, and we are now ready to offer the most efficient anti-knock fuel in the world.

Manufactured in one refinery under the same skillful supervision and from the same grades of crude, it is continuously uniform which means much in carburetion. When the carburetor is once properly adjusted it requires no further

change—care should be taken to see that the mixture is not too rich as NO-NOX works best with a thin mixture, thus insuring economy. With NO-NOX, perfect combustion takes place at just the right position of the piston head which entirely does away with carbon knocks or motor detonation—promoting greater efficiency of the engine, smoother operation of the car on the road, in traffic, and especially on heavy grades.

This wonderfully efficient gas is guaranteed to be Non-Noxious, Non-Poisonous and no more harmful to man or motor than ordinary gasoline.

NO-NOX is priced only three cents per gallon higher than That Good Gulf Gasoline.

Drive to the nearest Gulf Service Station and try it out. It is readily distinguished by its color.

Vacation.

Overland Motor Co., Willys-Knight Distributors, Vernon, Texas.

Dear Key: The wife and I are resorting to all kinds of arguments as to what resort we will vacation at.

While I favor the seaside and bathing, she says she's not in shape to go there. The doctor recommended the rest for me, and if the Mrs. and I go where those pretty bathing damsels roam—I know I'll enjoy the rest.

Somewhere the ocean seems to hold more attractions for a man, and he's right in the swim, when these attractions get hold of him.

Instead of a couple getting in a temper about vacation, Key, it's bet-

ter to get in a Willys-Knight, go to the seaside and save themselves oceans of trouble.

Yours everlastingly,  
RICH SMITHWIT.  
P. S.—Will write again next week. Itc Adv.

Miss Inez Holland returned during the week-end from Amarillo and Lubbock where she has been spending a two-week vacation. She resumed her duties as bookkeeper for the New Way Laundry Monday morning.

### Real Sedans at "Coach" Prices

BUICK builds only real sedans on the famous Buick chassis—with Fisher bodies.

The 4 and 2 door Sedans, on either the Master or Standard Buick chassis, are attractive, quality closed cars. These Buicks have the better performance—power—speed—endurance—and economy that mark the Better Buick as today's better motor car.

Buick could build a cheap closed car and sell it at a cheap price. But Buick chooses to build for the satisfaction of Buick owners. Buick sees to it that owners have cars they are proud to drive for years—cars that have a high re-sale value when finally traded in.

See these Better Buick Sedans before you spend your money.

"A GOOD PLACE TO TRADE"

## Game Commission Explains Dates and Penalties

There seems to be so much lack of information as to the game laws of the state that Turner E. Hubby, state game, fish and oyster commissioner, has issued another bulletin giving the provisions of the law, open season, bag limits, etc. It will be well for hunters to inform themselves of the provisions of this law and so avoid trouble. Following is contained in a recent bulletin from the commissioners' department:

property of the State of Texas. It is lawful to trap all fur bearing animals (except grey fox, red fox, beaver and otter, they being exempt and protected for a period of ten years) during the months of December-January and 15 days in February. Every person who traps shall pay a trapper's license, \$1.00 for the county in which he lives and \$50 for each county in which he does not live. Trapper must carry his license with him every time he runs his traps. It is unlawful to trap on another's premises without first getting permission.

"It is unlawful for any person to kill, take or have in his possession for barter or sale with a period of 10 years any wild grey fox \* \* \* red fox or the pelts thereof."

Quail—Open season, November 16th to January 1st, both days included; bag limit, 12 in one day or

## Brush Bares Fortune In Gems

CACHE FOR SMUGGLED GEMS. An attempt to smuggle diamonds into this country from Canada was nipped at Rouse's Point, N. Y., when \$54,974 worth of sparklers were discovered secreted in this old shoe brush.

not more than 36 in any one week. Doves—Open season, September and October. Bag limit, 15 in one day or not more than 45 in one week.

Duck and Geese—Open season, October 16th to January 31st, both days included; bag limit, 25 ducks in one day and not more than 50 in one week.

Turkeys—Open season, November

1st to December 31st, both days included; three gobblers during the open season.

Buck Deer—Open season, November 16th to December 31st. Bag limit, two bucks during the open season.

Squirrels—Open season May, June, July, October, December each year. Bag limit, 10 in any one day.

Fish—No person shall take or catch any fish by any other means than by ordinary hook and line or front line or artificial bait, nor place any seine or other device or trap in the water for taking or catching fish; provided, however, that persons may use a minnow seine not more than 20 feet in length for the purpose of catching minnows for bait. All fish and minnows not more than three inches in length shall be returned to the water at once while alive. No person shall use the seine herein permitted for the purpose of taking any fish other than minnows for bait. It is unlawful to catch any trout or white perch during the months of March and April of each year or catch or have on his possession any trout less than 11 inches or white perch less than 7 inches. It is unlawful to sell any trout, white perch or cat fish.

Wild game of every description is being destroyed at an alarming rate and if the people of Texas do not lend a helping hand in protecting it, it will only be a question of a short time that it will be exterminated, so it is the duty of every law-abiding citizen of this state to report each and every violation of the game laws to the sheriff, constable or deputy game warden. The game laws of Texas will be strictly enforced.

T. E. HUBBY,

Game, Fish and Oyster Commissioner of Texas.

### Automobile Registry.

## ATTENDANCE TO BE STRESSED

### SUPERINTENDENT STARTS CAMPAIGN FOR REGULARITY AND PUNCTUALITY.

Punctuality and regularity in attendance will be particularly stressed in the Vernon City schools this year, according to an announcement made by City Superintendent W. T. Lofland, this morning. At a meeting of the superintendent and principals at the high school building yesterday afternoon, it was decided to give awards for attendance this year as was given last.

Small certificates will be given to each student with perfect attendance records each six weeks, to be based on regularity and punctuality. At the end of the year the students having a perfect record for the entire year will be given a large certificate.

In addition to this, a local business man has placed ten dollars in the hands of the school officials to be given to the room that has the best attendance record at the end of the year. The record of each student in the room will be taken into consideration in deciding the winner of this award.

Mrs. L. A. Glover of Los Angeles, Calif., is visiting her brother, M. A. Barry, and family, and other relatives. Mrs. Glover and Mr. and Mrs. Barry visited in Wichita Falls Saturday and Sunday, and were accompanied home Monday by Mrs. R. M. Marrow and son, Paul, who will visit here several days.

Mrs. J. M. Hodges returned Friday from Lubbock where she accompanied her son, James Allen, who entered Texas Technological college.

### NOTHING LIKE IT ON EARTH

The new treatment for torn flesh, cuts, wounds, sores or lacerations that is doing such wonderful work in flesh healing is the Borozone liquid and powder combination treatment. The liquid Borozone is a powerful antiseptic that purifies the wound of all poisons and infectious germs, while the Borozone powder is the great healer. There is nothing like it on earth for speed, safety and efficiency. Price (liquid) 30c, 60c, and \$1.20. Powder 30c and 60c. Sold by All Drug Stores.

### BUSINESS COUNCIL TO MEET AT OFFICE TONIGHT

After being postponed for two weeks, first because of the fair and next because the chairman was away, the business council of the local chamber of commerce will meet at the organization's office this evening, according to an announcement made by R. M. Fielder, secretary. Several important problems are expected to be brought up for discussion.

### OVER 1,000 ATTEND SUNDAY SCHOOLS HERE

The congregation of the local Sunday schools numbered 1,089, Sunday with a collection of \$58.42.

The following is the report by churches:

Church	Attend.	Col.
Methodist	344	\$17.40
Baptist	402	20.07
Presbyterian	329	6.50
Central Christian	211	6.00
Church of Christ	143	7.53
Lutheran—no Sunday school.		

### Moved to New Mexico.

John Minarik will return today from Captain, N. M., where he went to take Lewis Ferguson, who will engage in ranching with his brother Jack. The young men have purchased quite a large body of land and will engage in stock raising.

Misses Lois Thompson and Jamie Mann left last week for Denton where they are attending the North Texas Teachers' college.

Pictorial Review and Ladies' Home Journal go on sale October 1 at City News Stand.

Mrs. R. F. Box and Miss Jewel Box went to Wichita Falls Sunday where Mrs. Box will take treatment under a specialist.

See Armstrong Motor Company, 1310 North Main street for some good used cars.

### THIEF ENTERS HOME OF B. H. LEWIS SATURDAY

The home of B. H. Lewis of Wichita and Pearl streets was entered Thursday night and a small amount of money was taken from the owner's trousers and his son's gold watch was stolen.

It is thought that the burglar located the articles as the family was retiring, watching them through a window.

Mrs. A. Bailey and children attended the Ringling Bros. circus at Wichita Falls, yesterday.

Ben Hill of Springtown was here on business and visiting relatives, yesterday.

Mr. and Mrs. C. D. Greene spent last week in Mineral Wells, where they visited relatives.

F. C. Rector, cashier of Slayton National bank, is here on business and visiting relatives this week.

Mrs. H. S. Pierce left for her home in Amarillo today after a visit here with her son, L. O. Johnson, and family.

### Accepts Position.

Miss Ffinn Hubbard has accepted a position with R. W. Drug store, as cashier.

Mr. and Mrs. W. H. Hawley of Mack spent the week-end with her parents, Mr. and Mrs. L. A. Ferguson.

W. C. Lundy, aged veteran, left today for Abilene, where he will attend the state meeting of Confederates.

Born to Mr. and Mrs. E. B. Rowland, of Deaf Smith street, a daughter, Saturday, September 26.

Born to Mr. and Mrs. J. B. Patterson of South Vernon, a daughter, Sunday, September 27.

# Why Ask for a RECOMMENDATION?

A receipted bill is the best recommendation a man can offer  
Make a practice of getting these receipts regularly and promptly on the first of each month.

*A past due account does not improve with age.*  
**Pay Promptly Each First**

For your credit is good ONLY so long as you keep it good and you never miss your credit until it is gone. It is easy to lose but hard to regain.

## Prompt to Pay

Makes you friends—but—The most lonesome road a man is called to travel is the "road back" from "down and out" because of slow pay.

"AS GOOD AS THE NAME"

## Cemetery Notice

Hereafter all lots and the charge for digging graves must be paid for when burial permits are taken out. All charges must be paid to S. H. Hall, City Secretary, from whom permits must be secured.

Many lots that have been purchased in the past have not been paid and these will be re-sold unless purchasers call at the City Hall at once and pay the amounts due.

This is important. The only funds available for keeping up the Cemetery come from sale of lots and voluntary contributions and we must insist that lots be paid for when purchased and grave digging charges paid when permits are secured from Mr. Hall.

East View Cemetery Association

## RADIOS

We have selected our stock of Radios by test. We feel that there are no sets on the market superior nor their prices more reasonable than the ones we handle.

**IT DRIVES OUT WORMS**  
 The surest sign of worms in children is paleness, lack of interest, play, fretfulness, variable appetite, picking at the nose and sudden starting in sleep. When these symptoms appear it is time to give White's Cream Vermifuge. A few doses drives out the worms and puts the little one on the road to health again. White's Cream Vermifuge has a record of fifty years of successful use. Price 35c. Sold by all Drug Stores.

## Henry B. Samuel and Chillicothe Girl Wed Sunday

Henry Barnes Samuel, of this city and Miss Cora Rogers of Chillicothe were married Sunday afternoon by Rev. C. T. Jones, the pastor of the First Baptist Church of Chillicothe, at his home in that city.

The bride is a daughter of Dr. and Mrs. J. O. Rogers of Chillicothe and is a very charming young woman.

Mr. Samuel is a son of Mr. and Mrs. H. A. Samuel of Vernon and was born and reared here. He attended the local high school and is now associated with his brother in the City Barber Shop.

## Lions Set To Cop Twin Victories Here This Week

Everything looks right for the Vernon Lions to hang up two victories this week in their games with Crowell and Iowa Park. Iowa Park takes on the first string while Crowell is pitted against the second string.

Nothing in the way of advance dope on the probable strength of the Iowa Park team has been received here. Coach Brewster appears to believe strongly in his team's ability, as he refused to match a game with Coach Baggett's second string. Coach Crouch at Crowell appears to have a stronger team than that Crowell turned out last year. With seven letter men back at all the key positions, Crouch is driving his team hard with the hope of beating Baggett's second string. Baggett will not announce his probable line-up for the second string game until after the game with the Iowa Park.

## TWO NEW TEACHERS ARE PLACED IN CITY SCHOOLS

Heavy registration at the Vernon city schools necessitated the employment of two new teachers, according to W. T. Lofland, city superintendent. Mr. and Mrs. John H. Dobbins, of San Marcos, arrived in Vernon yesterday and will take up their duties as teachers in the Vernon schools. Mr. Dobbins will teach at Junior High, and Mrs. Dobbins will be at Central. This is the second increase in teachers made since the opening of school this fall.

Mr. Dobbins has been employed to coach football at junior high, and he will start work on a team immediately.

## JUNIOR HIGH P-T. TO MEET THURSDAY, OCT. 1.

The Parent-Teachers Association of the Junior High School will meet at the school building Thursday afternoon at 3:30. This will be the first meeting of the club for this school term. The program follows: Chorus—Pupils.  
Reading—Miss Alice Stokes.  
Piano solo—Miss Evelyn Rogers.  
Address—Rev. C. A. Bickley.  
Planning Club Work—Principal F. E. Matthews.

## Vernon Rebekahs To Meet.

Members of the local Rebekah lodge are preparing plans for a busy winter. The officers of the lodge are very anxious the visiting members attend the lodge. Since the oil field development, many members from other lodges are here and they are especially asked to visit the local lodge. The lodge meets every Friday night at the Odd Fellow hall on North Main street.

## INSURANCE COMPANY MAKES NEW LOCATION
